MTO SPORT

pure freedom

The purest way of flying

The MTOsport has for many years embodied that feeling of boundless freedom and incomparable excitement. Perfectly evolved and developed, the entire aircraft is new from the ground up. The MTOsport Model 2017, bringing together innovations and excellence in design, making it stand out from the crowd like no other.

The new MTOsport resets the benchmark and raises standards to a new level. It truly is the perfect combination of design, comfort and functionality while maintaining its extraordinary individuality and outstanding flight characteristics.
